CH7390 / CH7392SW/SF

Lightweight and Versatile! Excellent performance for both vertical and horizontal fastening.

Muro's Ultra driver series of tools provides the durability and ruggedness that professional contractors and serious do-it-yourselfers expect. This easy to use attachment system mounts to a variety of screw driving tools. Available in two models, choose CH7390 for general purpose sub floor and deck applications, or the CH7392SF (sub-floor) model specially designed for the flooring contractor. This model features short stroke action and non-slip nosepiece for high production fastening.
